

Elsevier 英文臨床科研寫作線上研討會

時間： 2021 年 9 月 7 日下午 3 點

- 內容：
1. 科研發表的常見陷阱
 2. 如何提升科研產出
 3. 如何規範科研實踐

主講： **Dr Ximena Alvira, MD, PhD**

(Clinical & Research Manager @ Elsevier)

An enthusiastic and passionate medical and neuroscience doctor with broad experience in clinical practice. Ximena's passion is science communication and the dissemination of knowledge, with an ongoing career as a medical writer. In the last 3 years, Ximena has delivered more than 100 health research writing masterclasses and workshops around the world, reaching ~9000 attendees. In her current position as Clinical & Research Manager at Elsevier, Ximena uses her clinical and research expertise to provide strategic counsel to organizations on how to advance in their research objectives, make better use of Elsevier solutions, and improve their research and scientific writing skills.
